SUMMARY

A **motivated** and **passionate** worker. Able to adapt to any situation. Proficient in **audio production** and **post-production**. A **sound recordist** and **designer.** I volunteer to work on short film productions during my free time. An avid gamer who enjoys Open World and RPG-action games.

EDUCATION

Bachelor of Arts Creative Digital Media level 8 | TuDublin Tallaght Campus

SEPT 2017 – OCT 2021

Favorite projects were directing a tv segment in 1st year, editing the sound design for several trailers and creating 2D animations.

MEDIA EXPERIENCE

Boom Operator| RTE Storyland

Sept - Oct 2022

I was the **boom operator** for one of the latest RTE storyland projects called Mustard. Part of my job included setting up mics for each scene and placing **Lavalier mics** on actors.

Sound Recordist & Boom Operator | Virgin media

Nov 2022

I was the **sound recordist** and **boom operator** on a short documentary for Virgin Media called Life which premiered as part of the Sharp Shorts at the Lighthouse Cinema.

Sound Editor & Designer l PBL Voiceover

Nov 2022 - Present

I **audio edit** and **sound design audio portfolio clips** for professional and amateur voiceover artists. Part of the job is cleaning **audio recordings** that may have a lot of background noise and/or adding **SFX** and music.

Sound Engineer l Film Network Ireland

Aug 2022 - Present

I **sound record** and **audio edit** episodes of the Film Network Ireland podcast Wrapchat in the **podcast studios**. On the show we invite guests in to interview them about their experience in the Irish film industry.
